Em's Restaurant is located in the meticulously renovated hundred-year-old Center Street Market Building, cleverly situated in the heart of Salt Lake City's historic Marmalade Hill. It is here where Chef/Owner Emily Gassmann continues her family legacy of a local neighborhood bistro.

From Interstate 15: Exit at 600 N, proceed east and turn right on 300 West to left on 300 North to right on Center Street. Alternately, you can exit at 600 South, turn left (north at 300 West, turn right onto 300 North, and right on Center Street.

There is a small parking lot behind the restaurant, which holds perhaps 10 cars, and on-street parking on Center Street.
